

# Table of Contents

<b>1</b>	<b>Introduction .....</b>	<b>7</b>
<b>2</b>	<b>Acknowledgements .....</b>	<b>9</b>
2.1	Acknowledgment to Contributing Authors .....	9
2.2	Acknowledgment to Reviewers .....	9
<b>3</b>	<b>Regulatory/GxP Information .....</b>	<b>11</b>
<b>Common Technical Document</b>		
3.1	Critical Learning Points .....	11
3.2	Background, Depth, and Breadth Information .....	11
3.3	References .....	13
<b>cGMPs and their Relevance to Clinical Materials</b>		
3.4	Critical Learning Points .....	13
3.5	Background, Depth, and Breadth Information .....	14
3.6	References .....	20
<b>New EU Regulatory Environment - Implications for Clinical Supplies Management</b>		
3.7	Critical Learning Points .....	21
3.8	Background, Depth, and Breadth Information .....	22
3.9	References .....	28
<b>4</b>	<b>Project Planning and Management and Clinical Trial Design .....</b>	<b>29</b>
<b>Study Protocols</b>		
4.1	Critical Learning Points .....	29
4.2	Background, Depth, and Breadth Information .....	29
4.3	References .....	31
<b>Randomizations</b>		
4.4	Critical Learning Points .....	31
4.5	Background, Depth, and Breadth Information .....	31
4.6	References .....	35
<b>Project Management</b>		
4.7	Critical Learning Points .....	36
4.8	Background, Depth, and Breadth Information .....	36
4.9	References .....	38
<b>Process Improvement</b>		
4.10	Critical Learning Points .....	38
4.11	Background, Depth, and Breadth Information .....	39
4.12	References .....	41
<b>5</b>	<b>Manufacturing .....</b>	<b>43</b>
<b>Equipment/Facilities Qualification/Verification/Validation</b>		
5.1	Critical Learning Points .....	43
5.2	Background, Depth, and Breadth Information .....	43
5.3	References .....	45

<b>Cleaning Verification/Validation</b>	
5.4    Critical Learning Points .....	45
5.5    Background, Depth, and Breadth Information .....	46
5.6    References .....	49
<b>Manufacturing Process Containment</b>	
5.7    Critical Learning Points .....	50
5.8    Background, Depth, and Breadth Information .....	51
5.9    References .....	53
<b>Parenteral Product Manufacturing</b>	
5.10    Critical Learning Points .....	53
5.11    Background, Depth, and Breadth Information .....	54
5.12    References .....	56
<b>Radio-Labeled Clinical Trial Material</b>	
5.13    Critical Learning Points .....	57
5.14    Background, Depth, and Breadth Information .....	58
5.15    References .....	60
<b>Controlled Substances/Drugs</b>	
5.16    Critical Learning Points .....	61
5.17    Background, Depth, and Breadth Information .....	62
5.18    References .....	64
<b>Comparator Drugs and Blinding Considerations</b>	
5.19    Critical Learning Points .....	65
5.20    Background, Depth, and Breadth Information .....	66
5.21    References .....	71
<b>Packaging and Labeling Considerations</b>	
5.22    Critical Learning Points .....	72
5.23    Background, Depth, and Breadth Information .....	72
5.24    References .....	82
<b>6 Distribution and Returns .....</b>	<b>83</b>
<b>Clinical Material Distribution</b>	
6.1    Critical Learning Points .....	83
6.2    Background, Depth, and Breadth Information .....	83
6.3    References .....	84
<b>Strategies for Limited Drug Availability</b>	
6.4    Critical Learning Points .....	85
6.5    Background, Depth, and Breadth Information .....	85
6.6    References .....	86
<b>Interactive Voice Response System (IVRS)</b>	
6.7    Critical Learning Points .....	86
6.8    Background, Depth, and Breadth Information .....	87
6.9    References .....	93
<b>Cold Chain Control and Shipping Validation</b>	
6.10    Critical Learning Points .....	96
6.11    Background, Depth, and Breadth Information .....	96
6.12    References .....	97

<b>U.S. Import/Export Considerations</b>	
6.13    Critical Learning Points .....	97
6.14    Background, Depth, and Breadth Information .....	98
6.15    References .....	102
<b>Returns and Reconciliation</b>	
6.16    Critical Learning Points .....	102
6.17    Background, Depth, and Breadth Information .....	103
6.18    References .....	104
<b>7 Definitions</b> .....	<b>105</b>
References .....	114
